

Architectural Glass Division

Going Beyond the Standard

- Single source for insulating glass units, windows, storefront and all-glass entrances
- Commercial aluminum windows and storefront metal
- JEB 3Seal™ Warm-Edge Spacer:
 - Mitigates PIB migration
 - Delivers an extremely straight sightline
 - Improves wall performance

Quality Fabricated Architectural Glass Products for Over 50-years

- Regional project focus with fabrication plant locations in MA, CT and VA
- On-demand cutting and delivery services
- Full service glass fabricator for commercial applications
- Flat glass distribution

Premier High-Quality Architectural Glass Since 1920

- Extensive history of complex and large projects
- ISO 9001 - 2015 Certified Commitment to quality and excellence
- Meets tighter architectural glass aesthetic requirements:
 - Roller-wave distortion tolerances
 - Bow & warp standards
- JEB 3Seal™ Warm-Edge Spacer:
 - Mitigates PIB migration
 - Delivers an extremely straight sightline
 - Improves wall performance
